

This document is the single document you need to refer to for the current CC&Rs for Longview Farm HOA. Most of the regulations for homeowners are in Article IX through Article XI. We have a separate document that contains just those Articles. This document was created by taking the 2nd Amendment as the baseline, then modifying it to reflect the changes made in each subsequent Amendment (3rd through 8th).

Article III

Common Areas

Section 1. Owner's Easement of Enjoyment. Every Owner shall have a (non-exclusive) right and easement of enjoyment in and to the Common Area, subject to any restrictions or limitations contained in any deed, this Declaration or amendment to this Declaration. Any Owner may delegate his right of enjoyment to the members of his Family residing with the Owner, to lessees, to contract purchasers or to social invitees accompanied by the Owner, subject to reasonable rules and regulations promulgated by the Board and in accordance with procedures it may adopt.

Section 2. Limitations on Owner's Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

(a) The right of the Association to suspend voting rights and use of the Common Area by an Owner for any period during which any assessment remains unpaid, and for any period not to exceed thirty (30) days for each infraction of its published rules and regulations.

(b) The right of the Association to dedicate or transfer all or any part of the Common Area to any municipality, county, public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the Owners. No such dedication or transfer, and no determination as to the purposes or as to the conditions thereof, shall be effective unless an instrument signed by Owners entitled to cast two-thirds (2/3) of the votes of the membership has been recorded, agreeing to such dedication, transfer, purpose or condition, and unless written notice of the proposed agreement and action thereunder is sent to every Owner at least thirty (30) days in advance of any action taken. Provided, however, that no such instrument signed by the Owners shall be required as to any dedication or transfer pursuant to the provision of Section 2(d) of this Article.

(c) The right of the Association to borrow money for improvement of the Common Area and facilities thereon, and in aid thereof to Mortgage any portion of the Common Area, other than natural water courses and drainage improvement maintained by the Association pursuant to the provisions of Article VII, Section 1(o). The rights pursuant to such Mortgage in said Common Area shall be subordinate to the rights of the Owners hereunder.

(d) The reserved right of the Declarant to locate, erect, construct, maintain or use, or to grant blanket easements upon, across, over, and under all or any part of the Common Area for ingress, egress, installation, replacing, repairing, and maintaining master television antenna systems, security, and similar systems, and all utilities, including, but not limited to, water, gas, sewers, cable TV, telephones, and electricity. The Association shall, upon written request, grant such easements as may be reasonably necessary for the development of any Properties,

including Properties annexed pursuant to the provisions of Article VI hereof. Should any entity furnishing a service covered by the general easement herein reserved request a specific easement by separate recordable document, the Association or the Declarant shall have the right to grant such easement without conflicting with the terms hereof. The easements provided for in this Article shall in no way adversely affect any other recorded easement on the Properties.

(e) The right of the Association to charge reasonable admission and other fees as may be established from time to time for the use of any recreational facility situated upon the Common Area.

(f) The right of the Association to make reasonable rules, regulations and conditions and to impose reasonable restrictions upon the use and enjoyment of the Common Areas for the benefit and protection of the Owners.

The Restricted Open Space shall be maintained physically by the Owners of Lots 94, 95, 96, 97, 98, 99, 100 and 101 of Longview Farm, Second Plat.

Article IV

Membership and Voting Rights

Section 1. Membership. Every Person who or entity which is the record Owner of a fee or undivided fee interest in any Parcel or Lot with the Properties subject to this Declaration shall be deemed to be a Member of the Association. Membership is appurtenant to and may not be separated from ownership of any Parcel which is subject to assessment by the Association. Ownership of such Parcel or Lot is the sole qualification for membership. The foregoing is not intended to include Persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest shall not terminate the Owner's membership. No Owner, whether one or more Persons, shall have more than one membership per Parcel owned. In the event of multiple Owners of a Parcel, votes and rights of use and enjoyment shall be as provided herein. The rights and privileges of membership, including the right to vote, may be exercised by a Member or the Member's spouse.

Section 2. Voting. The Association shall have two (2) classes of membership, Class "A" and Class "B" as follows:

(a) Class "A". Class "A" Members shall be all Owners with the exception of the Class "B" Members, if any.

Class "A" Members shall be entitled to one (1) vote for each Parcel or Lot in which they hold the interest required for membership by Section 1 hereof. There shall be only one (1) vote per Parcel or Lot. When more than one person holds such interest in any Parcel or Lot, the vote for such Parcel or Lot shall be exercised as those Owners themselves determine and advise the Secretary of the Association prior to any meeting. In the absence of such advice, the Parcel's vote shall be suspended in the event more than one person seeks to exercise it.

Any Owner of a Parcel or Lot which is leased may, in the lease or other written instrument, assign the voting right appurtenant to the Parcel or Lot to the lessee, provided that a copy of such instrument is furnished to the Secretary prior to any meeting.

(b) Class "B". The Class "B" Member shall be the Declarant or any successor or assign of Declarant. The Class "B" Member shall be entitled to three votes for each Parcel in which Declarant holds the interest required for membership by Section 1 hereof. The Class "B" membership shall terminate and become converted to Class "A" membership when, in its discretion, the Declarant so determines.

From and after the determination of the Declarant, the Class "B" Member shall be deemed to be a Class "A" Member entitled to one (1) vote for each Parcel in which the interest required for membership under Section 1 hereof is held. At such time, the Declarant shall either call a meeting as provided in the By-Laws for special meeting or advise the Secretary in writing, to inform the membership of the termination of Class "B" status.

Article V

Condemnation

Whenever and if all or any part of the Common Area shall be taken (or conveyed by the Board in lieu of and under threat of condemnation) by any authority having the power of condemnation or eminent domain, each Owner shall be entitled to notice thereof and to participate in the proceedings incident thereto, unless otherwise prohibited by law. The award made for such taking shall be payable to the Association, as Trustee for all Owners, to be used for such purposes as the Board of Directors shall determine.

Article VI

Annexation of Additional Property

Section 1. Annexation Without Approval of Class "A" Membership. As the Owner thereof, or if not the Owner, with the consent of the Owner thereof, Declarant shall have the unilateral right, privilege, and option, at any time, to subject to the provisions of this Declaration and to the jurisdiction of the Association to annex all or any portion of real property located within one mile of the Properties (or to real property previously annexed), whether in fee simple or leasehold, by filing with the Recorder of Deeds, an amendment (which may be executed solely by Declarant) annexing such Property. Such amendment to this Declaration shall not require either the approval of the Association or any Owner or the vote of Owners, Members or the Board. Any such annexation shall be effective upon the filing for record of such amendment, unless otherwise provided therein. Any such amendment, in the discretion of the Declarant, may contain such deletions, additions or modification to the provisions of this Declaration applicable solely to such annexed Property as may be deemed necessary or desirable by the Declarant.

Declarant shall have the unilateral right to transfer to any other person the said right, privilege, and option to annex additional Property which is herein reserved to Declarant.

Section 2. Annexation With Approval of Class "A" Membership. Subject to the written consent of the Owner thereof, upon the written consent or affirmative vote of a majority of the Class "A" Members present or represented by proxy at a meeting, called in accordance with the By-Laws, for such purpose, the Association may annex real property contiguous (excluding streets, rights of way, easements or Common Areas) to the Properties (or to real property previously annexed) to the provisions of this Declaration and to the jurisdiction of the Association by filing for record in the Recorder of Deeds a supplementary amendment in respect to the Property annexed; provided, however, that no such Property shall be annexed by Class "A" Members prior to the expiration of the Declarant's rights in Section 1 of this Article without the prior written consent of Declarant. Any such supplementary amendment shall be signed by the President and the Secretary of the Association, and any such annexation shall be effective upon filing, unless otherwise provided therein.

Article VII

- (q) to enter into such contracts as may be deemed necessary by the Board to implement the purposes of the Association and to provide such improvements for the benefit of the Owners as are consistent with the powers of the Association.

Section 2. Personal Property and Real Property Held for Common Use. The Association, subject to the provisions of this Declaration and through action of its Board of Directors, may acquire, hold, and dispose of tangible and intangible personal property and real property. The Board, acting for the Association, shall be obliged to accept any real or personal property, leasehold or other property interests conveyed to it by the Declarant. The Association shall enter into any agreement tendered by the Declarant establishing a cost-sharing arrangement for the maintenance of the Common Areas, notwithstanding any decision by Declarant to retain title to the Common Area until after all of the Parcels or Lots in the Properties have been sold.

Section 3. Rules and Regulations. The Association, acting through its Board of Directors, may make and enforce reasonable rules and regulations governing the use and maintenance of the Properties, which rules and regulations shall be consistent with the rights and duties established by this Declaration. Sanctions may include reasonable monetary fines which shall constitute a lien upon the Owner's Parcel and Residential Unit and suspension of the right to vote and the right to use the Common Area. In addition, the Board shall have the power to seek relief in any court for violations of the Declaration or the rules and regulations. Imposition of sanctions shall be as provided in the By-Laws.

Section 4. Implied Rights. The Association may exercise any other right or privilege given to it expressly by this Declaration or the By-Laws, and every other right or privilege reasonable to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege. In the enforcement of its rights and privileges, there shall be a presumption of validity of the Association's actions; and, if the reasonableness of such enforcement shall be fairly debatable, it shall be upheld.

Section 5. Restricted Open Space. The Association shall have all rights and obligations with respect to the Restricted Open Space as it has with respect to Common Areas, except as specifically set forth in Article III, Section 3.

Article VIII

Covenant for Assessment

Section 1. Creation of Lien and Personal Obligation of Assessments and Special Assessments. Declarant (for each Parcel it owns within the Properties) and each Owner of any Parcel or Lot, except those exempt under Section 13 of this Article VIII, by acceptance of a deed therefore, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant, promise, and agree to pay to the Association any and all monthly assessments or charges and other assessments, together with such interest thereon, attorney's fees and costs of collection thereof as are hereinafter provided in this Article. Said amounts shall be a charge on the Parcel or Lot and shall be a continuing lien upon the Parcel or Lot against which each such assessment or special assessment is made. Said amounts shall also be the personal obligation of the person who was the Owner of such Property at the time when the assessment or special assessment fell due. The said personal obligation shall not pass to any successor in title of the Owner unless expressly assumed by said successor in which case both the Owner and successor in title shall remain and be personally liable.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, or welfare of the residents of the Properties, including use for the improvement and maintenance of the Properties, Common Area and facilities and use for other reasonable services to Owners.

Section 3. Basis and Maximum of General Assessments. Each Parcel shall, as of the date set under Section 10 hereof, be subject to a monthly assessment of not more than ninety-five dollars (\$95.00). The Board of Directors shall fix the monthly assessment within the maximum amount and may raise or lower said monthly assessment amount within said maximum as they may deem necessary

in their discretion. The initial monthly assessment is established at thirty-nine dollars (\$39.00) for each Parcel.

Notwithstanding any provision hereof to the contrary, the Board shall fix monthly assessments in an amount sufficient to provide for the maintenance of natural watercourses and drainage improvements and to correct erosion problems and to eliminate obstructions so as to permit the natural flow of water through said watercourses and improvements.

Section 4. Change in Basis and Maximum of Annual Assessments. The Association may change the maximum assessment fixed by Section 3 hereof provided that any such change shall have the assent of two-thirds (2/3) of the votes of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose, written notice of which shall be sent to all Members at least thirty (30) days in advance and shall set forth the purpose of the meeting.

Section 5. Special Assessments for Capital Improvements Upon the Common Area. In addition to all other assessments authorized herein, the Association may levy a special assessment for the purpose of defraying, in whole or in part, the cost of acquiring real or personal property or of any construction or reconstruction, repair or replacement of a capital improvement upon the Common Area, including the necessary fixtures and personal property related thereto, provided, that, any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than 30 days nor more than 60 days in advance of the meeting setting forth the purpose of the meeting.

Section 6. Cooperation Agreements and Assessment Note Financing.

(a) In addition to all other assessments authorized herein, the Association shall have the authority to enter into cooperation agreements with governmental units pursuant to the provisions of Chapter 70 of the Revised Statutes of Missouri, or other applicable provision of law, and to provide for assessment of the Parcels in said agreements. Any such cooperation agreement shall have the assent of two-thirds (2/3) of the votes of each class of Members voting in person or by proxy at a meeting duly called for the purpose of considering whether or not such a cooperation agreement should be entered into by the Association. Written notice of the intent to enter into such cooperation agreement shall be posted in the United States mail to all Members not less than 30 nor more than 60 days in advance of the meeting, setting forth the time, place and purpose of that meeting.

(b) In addition to all other assessments authorized herein, the Association may initiate special assessments for improvements for constructing and repairing sidewalks and sidewalk curbing, and for sewers, and for grading, paving, excavating, macadamizing, curbing and guttering of any street, avenue, alley, square or other highway, or part thereof, and repairing the same, or for any other improvement authorized by law in accordance with the provisions of applicable state statutes including, but not limited to, the provisions of Section 88.811, et seq., RSMo, providing for Assessment Note Financing.

(c) In addition to all or other assessments authorized herein, the Association may, in lieu of petitioning for improvements as provided in Section 6(b) of this Article cause the same improvements to be financed by special assessments levied by the Association for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, repair or replacement of such improvements within the Properties. The special assessment authorized by this Section 6(c) may be evidenced by assessment notes similar in form to those authorized by Section 88.815, RSMo, which assessment notes shall be issued by the Association for the benefit of the holders or registered owners of the same, or to a trustee for the holders or registered owners of such notes. Such notes shall be payable solely from the assessments derived or to be derived from the assessments authorized to be levied by this Section 6(c). The Declarant, or its assigns, is hereby authorized to undertake the improvements authorized herein and to be compensated for the same by said assessments and to hold said assessment notes from the Association as evidence of said indebtedness.

No special assessment authorized by this Section 6(c) shall be levied and no assessment notes shall be issued evidencing the same unless any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for his purpose, written notice of which shall be sent to all Members not less than 30 days nor more than 60 days in advance of the meeting setting forth the purpose of the meeting.

(d) Assessments pursuant to this Section shall be made in accordance with a determination by either the Association or a governmental entity as to special benefit to each Parcel assessed.

Section 7. Special Monthly Assessments for Separately Platted Areas.

(a) In addition to all other assessments authorized herein, the Association may levy a special monthly assessment applicable to all Owners in any separately platted area of the Properties, said areas presently consisting of four subdivisions: Lots 1 through 59, LONGVIEW FARM; Lots 1 through 30, LONGVIEW FARM MANOR; Lots 1 through 19, LONGVIEW FARM VILLAS; and, Lots 1 through 10, LONGVIEW FARM ESTATES. Any such special monthly assessment for separately platted areas shall be used exclusively for the purposes of lawn mowing, snow removal, foundation shrubbery maintenance, sprinkler system operation (but not installation), and other maintenance

duties unique to Lots or Parcels in each separately platted area; provided, however, that prior to levying the initial special monthly assessment, the Board shall notify, in writing, each Owner of the amount of the special monthly assessment and the maintenance duties to be paid for by the special monthly assessment. Within fourteen (14) calendar days of the posting of said written notice in the United States mail, the Board may levy a special monthly assessment for separately platted areas pursuant to this Section 7 unless a protest has been filed, in writing, by a majority of the Owners of Parcels or Lots in any given separately platted area. After establishment of the initial special monthly assessment, the Board may increase or decrease the amount of any said assessment without the vote, protest, or assent of or notice to any Owner.

(b) No portion of the special monthly assessment provided in this Section shall be applied for purposes other than those specified in this Section. No portion of the special monthly assessments for separately platted areas shall be used for maintenance of the Common Area.

(c) The special monthly assessment provided for in this Section 7 must be fixed at a uniform rate for all parcels or lots within each separately platted area; however, the rate of assessment may vary from platted area to platted area.

(d) Once a special monthly assessment for separately platted areas is levied by the Association, elimination of said special monthly assessment shall have the assent of two-third (2/3) of the Owners of Lots or Parcels in each separately platted area, said assent being filed of record with the Association in writing. Elimination of special monthly assessments shall not cause breach by the Association or Declarant of any maintenance agreement entered into for the purpose of the maintenance duties or operation of sprinkler systems on Lots and Parcels as authorized by this Section 7.

(e) The Declarant shall have and hereby reserves for itself, its successors or assigns or the Association and its successors or assigns, an easement over and through all portions of each Parcel or Lot, excluding the interior portions of any Residential Unit, for the purpose of performing the maintenance duties of the Association provided for in this Declaration.

Section 8. Uniform Rate of Assessment. Except as provided in Section 6 and Section 7 of this Article, assessments shall be fixed at a uniform rate for all Parcels or Lots; provided that, Parcels owned by the Declarant shall be exempt from the payment of any assessment. Neither the size of the Parcel or Lot nor the exemption of less than the whole Parcel or Lot pursuant to Section 13 hereof shall relieve any Parcel or Lot from being assessed at said uniform rate.

Section 9. Quorum and Notice Requirements.

(a) The quorum required for any vote by the Members authorized or required by this Article shall be as follows:

At the first meeting called, as provided herein, the presence at the meeting of Members and proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting another meeting may be called, subject to any notice requirements set forth herein and the required quorum at any such subsequent meetings shall be reduced to fifty percent (50%) initially and then to thirty-three percent (33%) of said votes, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting. In the event that there are, respectively, either no Class A or Class B Members at the time of the vote, the presence of the absent Members shall not be required.

(b) The notice specified in this Article may be waived by the express written consent of all Members of each class of membership existing at the time of the vote.

Section 10. Date of Commencement of Monthly Assessments: Due Dates. The assessments provided for herein shall, subject to the provisions hereof, commence as to all Parcels or Lots on the date established for commencement by the Association. Any change in the monthly assessment must be fixed by the Board of Directors at least 30 days in advance of the commencement of the changed assessment amount. Written notice of the initial assessment, or any change thereto, shall be sent to every Owner. The due dates shall be established by the Board of Directors; and, the Board in its discretion may require payment of the twelve monthly assessments for the calendar year on January 1st of that calendar year. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Parcel or Lot have been paid. Such certificate shall be conclusive evidence of the facts stated therein.

Section 11. Effect of Non-Payment of Assessment: The Personal Obligation of the Owner; The Lien Remedies of the Association. If the assessments are not paid on the date when due, then such assessment shall become delinquent and shall, together with interest thereon and costs of collection, thereupon become a continuing lien on the Property as provided in Section 1 hereof. If the assessment is not paid within thirty (30) days after the delinquent date, the assessment shall bear interest from the date of delinquency at the prime rate per annum (as determined by that announced by the Chase Manhattan Bank N.A. of New York) and the Association may bring an action against the Owner personally obligated to pay the assessment or an action to foreclose the lien against the Parcel (or both of said actions), and there shall be added to the amount of such assessment the cost and expenses of preparing and filing the petition in such action, and in the event a judgment is obtained, such judgment shall include interest on the assessment as above

provided and a reasonable attorney's fee to be fixed by the court together with the costs and expenses of the action.

No Owner may waive or otherwise avoid liability for the payment of assessments provided for herein by non-use of the Common Area or abandonment of his Parcel or Lot.

Section 12. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage and to any executory land sales contract owned by the Veterans Administration or its assigns, wherein the named seller is the Administrator of Veterans affairs, whether such contract is recorded or not. The lien of the assessment shall be superior to any homestead exemption now or hereafter provided by the laws of the State of Missouri. Sale or transfer of any Parcel shall not affect the assessment liens.

Section 13. Exempt Property. The following Properties subject to the Declaration shall be exempt from the assessments, charges and liens created herein:

- (a) All Properties to the extent of any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use;

Section 2. Amendments. In addition to amendment for annexation of additional Property as provided in Article VI hereof, this Declaration may otherwise be amended during the first twenty (20) years from the date of the Declaration, by an Instrument duly approved by not less than ninety (90%) percent of the Class "A" and "B" Members of the Association and thereafter by an Instrument approved by not less than seventy-five (75%) percent of the Class "A" Members of the Association. Any amendment must be properly recorded. Provided, however, that the Declarant during the first twelve (12) years from the date the Declaration is recorded, by an Instrument signed solely by Declarant, may amend this Declaration so as to comply with any requirements of the Federal National Mortgage Association, Government National Mortgage Association, Federal Housing Administration or the Veterans Administration whether pertaining to annexation of

additional properties, dedication of Common Areas, amendment of this Declaration, or otherwise. No amendment may remove, revoke or modify any right or privilege of Declarant without the written consent of Declarant or the successor or assignee of such right or privilege.

Notwithstanding any provisions of Section 2 of Article XII to the contrary, no amendment may remove, revoke or eliminate any obligation of the Association to provide for the maintenance of natural watercourses and drainage improvements and to correct erosion problems and to eliminate obstructions so as to permit the natural flow of water through said watercourses and improvements. The Association may, as a common expense, maintain adequate general liability and officers' and directors' liability insurance to satisfy this provision or obligation.

Section 4. Severability. Invalidation of any one of these Conditions, Covenants, and Restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect. In the event that any one of these Conditions, Covenants, and Restrictions be invalidated or held to be unenforceable by a court of competent jurisdiction, the Board shall have the right to establish reasonable rules and regulations which are intended to mitigate any adverse impact on the Properties of any such invalidation or unenforceability.

Section 5. Perpetuities. If any of the Covenants, Conditions, Restrictions, or other provisions of this Declaration shall be unlawful, void or voidable for violation of the Rule Against Perpetuities, then such provisions shall continue only until twenty-one (21) years after the death of the last survivor of the now living descendants of Ronald Reagan, President of the United States.

Each Owner agrees to cause the lessee, occupant or persons living with such Owner or with the lessee to comply with this Declaration, By-Laws, and the rules and regulations promulgated thereunder, and such Owner shall be responsible and liable for any and all violations and losses caused by such tenants or occupants, notwithstanding the fact that such occupants of the Residential Unit are fully liable for any violation of the rules and regulations; failure to comply shall be, at the Board's option, considered a default in the lease.

In the event that a lessee, occupant or person living with the lessee violates a provision of this Declaration, By-Laws, or rules and regulations adopted pursuant thereto, the Board shall have the power to bring an action or suit against the lessee to recover sums due for damages or injunctive relief, or for any other remedy available at law or equity including, but not limited to, all remedies available to a landlord upon the breach or default of the lease agreement by the lessee.
